

CARE <http://engage17.org.uk>

Care is a Christian Public policy charity. They have launched a website which will be continually updated. It include;

- Issues and questions to ask candidates
- Local Hustings information
- Information about local candidates
- Personal & small group study 'Biblical mandate for Political Engagement'.

Joint Public Issues Team: <http://www.jointpublicissues.org.uk/faithinpolitics/>

The Baptist, Methodist URC and Church of Scotland have put together a resource exploring four key issues of

- Migration and the asylum System.
- Economic inequality in the UK.
- The role of the UK Internationally.
- The UK's relationship with the European Union.

The Christian Institute: <http://www.christian.org.uk/election/>

You can download their Election Briefing 2017, which gives you an analysis of party policies on various issues where Christian principles are at stake and where biblical priorities apply.

- Election briefing 2017- analysis of party policies relating to biblical principles
- Your MP's voting record.
- Candidate question cards

Christians in Politics: <http://www.christiansinpolitics.org.uk/>

If you're interested in getting involved in politics, this is a good site to help you get started.

Christians In Parliament: <http://www.christiansinparliament.org.uk>

An all-party group of members of Parliament and the House of Lords working within parliament.

- Resources on Key issues and lots of publications.
- Podcasts of events held in parliament
